Galaxy Villas is located at the foot of the mountain Harakas, in the beautiful quaint Cretan village of Koutouloufari, only 20 minutes away from Heraklion.

The resort, overlooks the Hersonissos bay, with independent, fully-equipped villas built in typical local architecture and technique, scattered around informal, natural green gardens, olive trees, local plants and flowers. There is a fresh water swimming pool and children's pool as well as indoor and outdoor dining and bar area with marvelous serene views (and even a seasonal organic vegetable garden and picnic area where you can taste our own local produce).

Using the Hotel as a base, you can explore the beauties of the area and the island of Crete or opt for relaxed days by the sea –the beach is only a few minutes away. Alternatively, you can enjoy lazy days taking in the views by the pool or in the privacy of your villa.

The Galaxy Villas is a sincere family business, with the perfect mix of relaxed atmosphere, modern comfort in traditional surroundings and excellent value for money.
